Women's Safety

Family violence describes all forms of violence including physical, emotional and sexual.

Have you experienced family or domestic violence, or know someone who has?

We can help.

How does the program work?

You will be linked with a local support coordinator in a safe and confidential environment to discuss:

- ◆ Helping you to have the support that you need.
- ◆ Exploring where you have come from and where you would like to be.
- ◆ Understanding what you are feeling and thinking is valid.
- ◆ Assist with coordinating other local services
- ◆ Advocacy

How do I join the program?

- ◆ This is a **free** service funded by NSW Health
- ◆ We take referrals from:
 - Local Services & Organisations
 - Friends and Family
 - Self referral - phone or call into the office
